Ysgol Treganna

Weekly Newsletter

This Week

Cwpan Betsan

Thank you to all the schools that came to enjoy Cwpan Betsan today. It was wonderful to see so many schools coming together to take part and support the event. Keep an eye on our Instagram page to find out who will win this year's Cwpan Betsan! Thank you also to all the school staff who helped throughout the day, and especially to Mr Evans for organising the event once again this year.

Sports Ambassadors

Our Sports Ambassadors attended a training conference at Sophia Gardens to develop their leadership skills and learn how to coach and support their fellow pupils. Everyone had a fantastic time, and we look forward to seeing how they use what they have learned to support sports and activities within the school. Many thanks to Mr Passmore for organising this valuable experience.

Children in Need

Last Friday, the school was full of colour as we dressed brightly to raise money for the wonderful charity Children in Need. We successfully raised £431 for the charity! Thank you to everyone for their generous contributions and support.

Calendar

After-school clubs are finishing for the term.

There will be no after-school clubs from the week beginning 30 November.

PTA

Come and support us! A warm welcome to everyone!

Government and Estyn Anti-Bullying Presentation

We were very proud to see the contribution of Treganna pupils recognised as a highlight at the Wales National Anti-Bullying Conference, held at Sophia Gardens this week.

Our pupils acted as outstanding ambassadors for the school, sharing their experiences and ideas with confidence and representing Treganna exceptionally well.

We are proud of their commitment to promoting kindness, respect and inclusion for all.

Thank you to Mr Evans for preparing the presentation and for his contribution to the event.

Minecraft Lesson

It was a great pleasure to welcome the Heno team to the school on Monday to film our pupils taking part in a Minecraft lesson.

The session showcased the value of using Minecraft in the classroom as a tool that encourages creativity, teamwork and problem-solving.

By building and exploring worlds, lessons come to life, helping pupils to deepen their understanding while developing essential digital skills.

Many thanks to Mr Passmore for his contribution and for promoting the session.

Sharing Good Practice – Numeracy

It was also wonderful to have the opportunity this week to share good practice in the teaching and learning of Numeracy at our school.

A television crew visited the school to film Mrs Alaw teaching a Numeracy lesson to Gronw Class, Year 6.

The lesson will be featured on the Welsh Government website as an example of good practice. Thank you to Mrs Alaw for all her hard work and dedication, and to Gronw Class for being so fantastic!

Language Pattern of the Week

Wyt ti'n gallu…? (Can you…?)
Ydych chi'n gallu…? (Can you…?)
Ydw/ Nac ydw (Yes I can/ No I can't)

Challenge

Ga'i ganiatad i…? (Can I have permission..)
Allwn i gael…? (Can we have…?)

Discussion topic of the week

Y chwaraeon gorau yw…oherwydd (The best sport is… because…)

Song of the week

Dadleoli - Hen stori

Idiom of the week

A'i wynt yn ei ddwrn/ A'i gwynt yn ei dwrn (Rushing about)
