

13TH OF SEPTEMBER

Ysgol Treganna

Weekly newsletter

This week

At the end of our first full week back at school, all the pupils and staff have settled well into their new classes!

This week, Mrs Julia Davage has started the outdoor learning sessions, and the pupils have enjoyed collaborating and learning new skills. These sessions aim to develop pupils' independent skills, entrepreneurship, and perseverance, and each class will have the opportunity to attend these sessions.

This week also saw the launch of the Breakfast Club for Nursery pupils. Every morning, the doors of the Nursery class open at 8:10 am, where we welcome our Nursery pupils and provide breakfast and activities for everyone. We will start the after-school Cymer Ofal club in the Nursery class in November, running until 6:00 pm daily. For further information on how to register, please get in touch with the reception.

Another exciting development at the school is the establishment of our Community Hub, "Y Nyth". We have transformed one of the school's rooms into a community hub where we will hold workshops for parents, parent engagement sessions, and meetings of our Parent Forum and Parent Network (more information to follow!).

As part of our role as a Lead School, we will also welcome Cardiff Met students to the school bi-weekly this year. These sessions will be held in "Y Nyth." Mrs Jess Ausi will lead the training, and the students will have the opportunity to work with school staff and observe in classrooms. We look forward to welcoming them to the school.

Important

If your child has asthma or an allergy, and uses a pump or medicines in school, could you please ensure that they are within the 'use by' date, and that you replace them as necessary. Thank you.

Parents meeting in school hall

On Wednesday, October 2nd, there will be a meeting and coffee in the school hall for parents and guardians. During the meeting, we will discuss the priorities for the year, important school procedures, and outline our safeguarding processes.

Group Ed will also be present to provide a brief training session for parents on how to use the new platform.

The meetings will be held at 9:30 am and 5:30 pm

Meet the teacher sessions

A reminder that our “Meet the Teacher” sessions are scheduled for next week. These sessions aim to give parents/guardians the opportunity to meet the class teachers, ask questions, and receive information about class arrangements. Due to limited space and supervision, we kindly ask that only parents attend these sessions.

Nursery, Reception, Year 1 and Year 2 Snacks

Snacks are provided daily for Nursery – Year 2 pupils. These are often linked to class lessons and themes. A charge of £1 per week will appear on your Parent Pay account for each half term. The children in these classes receive free milk every day.

Please feel free to send healthy snacks to your child. We do not allow crisps, nuts, fizzy drinks or sweets etc.

Ysgol Treganna Bike Bus

The next Ysgol Treganna Bike Bus will be on Friday, September 20th, and we will meet at Thompson Park at 8:15 am.

A team of facilitators (volunteers, parents and school staff) will keep everyone safe and away from traffic, and we are always happy to welcome new volunteers to help facilitate the Bike Bus! For more information, join the Treganna School Bike Bus WhatsApp.

Social Media Consent

We intend to use the Instagram platform as a way to communicate with parents. We will upload highlights of school activities/events on a weekly basis. For the time being, we will continue to use Twitter/X, but we will decide over the coming months whether to keep using Twitter/X. Could you please give your consent for your child to be featured on social media by completing this form? Thank you.
