Weekly newsletter

This week

This week, it has been wonderful to welcome parents and guardians to the school for our “Meet the Teacher” sessions. During the meetings, the teachers discussed class arrangements, PE day, Teams reading contact, the weekly timetable, and the Outdoor Learning sessions. If you could not attend the meetings and would like further information, please remember to contact the school.

Next Tuesday, September 24th, Colorfoto will be at the school to take individual and sibling photographs. If it is your child's PE or Outdoor Learning day, we kindly ask that they come to school in their uniform and bring their PE/Outdoor Learning clothes in their bag.

Please also remember the meeting for parents and guardians, which will be held in the school hall on Thursday, October 3rd, at 9:30 am and 5:30 pm. We have had to change the date from the 2nd to the 3rd. We will present the school's priorities for the 24/25 academic year during the meeting. In addition, we will discuss school procedures and talk about our safeguarding policy. Group Ed will also be present to introduce the new platform we will be using for all communication. Currently, we only use Group Ed to send messages to parents, including the weekly contact and newsletter.

The concept for the Autumn term for the whole school is Diversity. During their discovery days, the pupils have been contributing to their class's learning journey. Over the next few weeks, we will send an overview of the term's work for each school year.

Online safety tips for parents and carers

As a school we are aware of the responsibility we have to ensure that our pupils are taught to be safe on the web. Here is a link for parents and guardians that contains easy-to-follow recommendations on how to help your child enjoy a safe and confidential online experience.

Pupil Voice Committees

This week, the pupils have been deciding on the pupil voice committees.

The committees we have this year are the School Council, Eco Committee, Criw Cymraeg, Digital Wizards, Rainbow Leaders, and Wellbeing Ambassadors.

A new committee this year will be the Rainbow Leaders, whose aim as a group will be to support curriculum planning and understand representation within our community. The group will help monitor and evaluate provision within classrooms and support the school improvement plan.

The group will also engage with the whole school community to support our anti-racism agenda. Over the coming weeks, we will upload each committee's strategic plans to the website and share this term's projects.

Football Card Exchange Club

Starting next Friday, the 27th of September, there will be a Football Card Swap Club at lunchtime. In the club, Year 4, 5 and 6 pupils under the supervision of staff, will have the opportunity to exchange football cards. We kindly ask the pupils to bring the football cards to school only on Fridays.

Bike Bus

Once again there was a very successful Bike Bus this morning! A large number of pupils, parents and staff came together and thanks once again to Hamish from Sustrans for supporting the initiative. We are also extremely proud of the video clip that Sustrans has released of the Treganna school bike bus and well done to everyone who contributed to the video.
