This week

We are happy to announce that our new website is now live! The site is packed with useful information about the school, including policies, clubs, our curriculum, pupil voice committees, and much more. You'll also find a calendar featuring all the key dates for the term, and newsletters and communications will be uploaded weekly. Thank you to all the staff and parents who contributed, Sioned Birchall for taking photos and Rheinallt Rees for filming the drone clip, which is featured on the site.

In addition to the website, we also have a brand-new school prospectus. The prospectus provides comprehensive information on all our procedures, such as uniform guidelines, school hours, lunch arrangements, and safeguarding processes. The prospectus is also on the website.

Congratulations to the four teams who represented the school this week in the Urdd Football Championship. Everyone put in a tremendous effort, and we're thrilled that one of the teams secured second place! We look forward to travelling to Aberystwyth to compete in the Welsh tournament! Thank you to the staff for training the teams and accompanying them to the tournament.

Thank you to all the parents who attended yesterday's presentation in the school hall. It was wonderful to meet several new faces and have a chat over tea and biscuits! Thank you to representatives from Group Ed for joining us. Remember, the school's weekly communications and newsletters will be sent through the Group Ed app, so please ensure you've downloaded it. If you need assistance, please contact the school.
