Poverty Audit

This week, teachers from schools within our cluster visited to carry out a Poverty Audit at the school. This work forms part of the Welsh Government's wider strategy, and every school in the cluster is involved in the project. Thank you to everyone who took the time to complete the parent questionnaire. We will shortly receive a report highlighting what the school is doing well, along with recommendations on how we can further improve our provision.

Bingo Night

Thank you so much to everyone who came along last Friday evening to support the PTA Bingo Night. The event was a great success, and we are extremely grateful to the PTA for all their hard work in organising it. An incredible £1,326 was raised! This fantastic amount will be used to refurbish the climbing frames in the playground and contribute towards the creation of "Y Sied", a play hut designed to encourage creative play during break and lunchtime.

Food Bank Donations

This year, we are once again collecting donations for the Food Bank. We kindly ask that any contributions be brought to school by Friday, 20th October. Your generosity and support are greatly appreciated.

Treganna'n Trafod Testunau

Following the success of the Year 6 team in the 2025 Book Quiz competition, the team decided to invest their prize money in purchasing new books for the school. In addition, the pupils suggested creating a website where children at Ysgol Gymraeg Treganna could share their reviews of the books, to promote the reading of Welsh-language books among pupils across the school.

We invite children of all ages to write reviews of Welsh-language books and send them to evansg13@hwbmil.net. We will upload them to the website so that others can see their peers' opinions on Welsh books.

Children are also welcome to rewrite their reviews or record them in audio or video format – we'll be happy to share those too!

So, keep an eye on our website for regular reviews from pupils, as they share their thoughts on the new books and their reading recommendations!

Anti-Bullying Week

As we prepare for Anti-Bullying Week, we want to ensure that our activities and messages genuinely support our pupils and reflect the needs of our school community.

To assist us in this effort, we kindly request that you complete a brief questionnaire.

Your insights will help us better understand how bullying affects children and how we can work together to prevent it.
