Weekly Newsletter

This Week

Thank you to everyone who attended the parents' meetings this week. It was a pleasure to share our priorities for this year with you. Further information on these priorities is included in the newsletter below.

A reminder that our school's Bingo night takes place this evening in the school hall at 7:00 p.m. We are looking forward to welcoming everyone and would like to thank the PTA for all their hard work in organising this event.

All funds raised by the PTA go directly towards enriching pupils' learning experiences. Last year, the money contributed to the creation of Play Continuum areas in every classroom, as well as resources to support outdoor learning. This year, the funds will be used to develop new play areas in the school yard.

In addition, the PTA will help to fund an exciting new project – "The Shed", a dedicated space filled with resources and objects designed to spark pupils' creativity and inspire imaginative play. This initiative will build on our Play Continuum work and enhance pupils' leisure and play experiences during break and lunchtime.

Parking

We have received a number of complaints from parents and residents regarding the parking situation outside the school. We kindly ask everyone to park safely and to be considerate of our neighbours. Thank you very much.

We have also prepared a Parent-Friendly School Development Plan.

This version outlines how you, as parents, can support your child in line with our school priorities. It also contains links to a range of websites and resources that you may find useful to use with your child.
