Weekly Newsletter

Welcome back

Welcome back, everyone, to the summer term! We are looking forward to another busy and exciting term filled with trips, competitions, sports days, and hopefully plenty of sunshine. We have sent out the “Important Dates for the Term” today, and additional dates will be added as the term progresses. Please remember to check the Weekly Communication, which is sent out every Tuesday, for important updates and news about your child’s class. All newsletters and Weekly Communication are also available on the school website.

Safe Parking

We kindly ask all parents and guardians to park responsibly near the school. Please use designated safe parking areas only, and avoid parking in spaces reserved for local businesses or in restricted zones. This is essential to help ensure the safety of our entire school community. Thank you very much for your continued cooperation and support.

PE Kit

We would like to remind you to ensure that your child wears appropriate PE kit on their class Physical Education days. This should include black leggings, black sports trousers or suitable shorts, a T-shirt in your child’s house colour, and a school jumper. We kindly ask that pupils do not wear hoodies or brightly coloured leggings for these lessons. Thank you for your cooperation.

Here are some of the upcoming events for April and May.

Families Learning Together (Cardiff and Vale College)

We look forward to offering another family workshop during the summer term.

Workshop Name: Nature Detectives

When? Wednesday 22nd of April (9.00am-10.30am)

Workshop details:-

- Discover the power of outdoor learning!
- Learn how nature can boost your child's confidence, creativity and wellbeing.
- Take part in practical activities with your child, enjoy some storytelling and nature inspired fun!

The workshop is suitable for parents of children aged 3 to 7 years old.

Please register [here](#).

Friday, 24th April at 9:30am – Managing Anxiety (Workshop for Parents)

A bilingual session led by the school's educational psychologist, Dr Brianna Bowen-Wride.

The aims of the workshop will be to share information on anxiety and how to recognise its signs, learn practical strategies for home and school, and provide an opportunity for parents to share experiences in a relaxed, informal setting.

Please book your place via the link below.
