Weekly Newsletter

This Week

We have had a lovely week at school, and everyone has settled back into the routine very well.

After-school clubs have restarted this week. Please remember that these clubs are open to all pupils, but registration must be completed in advance via ParentPay. We would like to extend our thanks to the staff who organise and run these clubs after school.

Mrs Healen

We would like to wish Mrs Healen all the very best as she leaves us today to begin her maternity leave. We are grateful for her hard work and dedication, and she will be greatly missed by us all. We look forward to welcoming her back in the future. Good luck, and enjoy every precious moment.

Urdd Rugby Festival

Many teams from Years 4, 5 and 6 took part in the Urdd Rugby Festival at Llandaff Fields this week. It was wonderful to see so many pupils participate and compete, and they were a real credit to the school. Congratulations to the Year 4 mixed rugby tag team, who will now be competing in the national round in Aberystwyth. Thank you to the staff who trained the teams and prepared them for the competition.

Exciting Enterprise at Ysgol Treganna

We were delighted to host an exciting event at Ysgol Treganna this week. One of our pupils, Tom from Year 5, has been working with his father on an innovative project – a school uniform exchange website: <https://freeschoolclothes.com/>. During the week, we welcomed many visitors to the school, including members of the press, to help select and judge the winning logo for the website. Thank you also to Year 6 for their excellent presentation. We are incredibly proud of Tom's initiative and look forward to hearing more about the project in the future.

Managing Anxiety

Thank you to all the parents who attended this morning's workshop. We greatly appreciate your support. Our thanks also go to Dr Brianna Wride for delivering such an informative session and for clearly explaining how parents can support their children at home.

If you have any suggestions for future workshops, please feel free to get in touch, we would love to hear from you.

Family Learning - Nature Detectives

Thank you as well to all the parents and children who took part in our outdoor learning workshop on Wednesday. We hope the session provided useful ideas to support learning at home.

We are also very grateful to Kate Teruel-Serrano from Cardiff and Vale College for delivering such an engaging and enjoyable session.

Reading Partners

We are looking for reading partners for September. If you have half an hour to spare each week, we would love for you to support our pupils by taking part in reading sessions with them.

Reading and developing a love of books are central to our work here at Ysgol Treganna, and we are keen to strengthen our reading provision further this September. We have many exciting plans in place to inspire a love of reading and build pupils' confidence.

We strongly believe that reading is a vital life skill, and we work hard to ensure that books are used to foster enjoyment and a genuine interest in reading. We would also like to extend our sincere thanks to the PTA for their continued support, including the purchase of a range of new reading books for the school.

Sending books home is a key priority for us, and while we make use of digital resources such as Darllen Co, this does not replace the experience of reading a physical book, something we value highly at Ysgol Treganna.

Please remember, if your child brings a reading book home, to return it to school once it has been read.

Thank you very much for your continued support.
