Sports Day Sessions

We had lovely sports-day sessions at the start of the week with nursery, reception, Year 1 and Year 2. We want to thank everyone for your support and enthusiasm during the events.

The competition was lively, everyone gave their best, and the atmosphere was one of genuine enjoyment for all.

Following the weather forecast and rising temperatures, we had to make the difficult decision to cancel the Year 5 and 6 Sports Day at Leckwith Stadium today, in order to ensure the safety and well-being of our pupils and staff.

We are disappointed that the event cannot go ahead as planned, but we feel this is the most responsible decision given the weather conditions and the risks associated with physical activity in high temperatures.

Thank you very much for your understanding and continued support.

Julia Davage

We would like to thank Mrs Julia Davage for all her hard work, her dedication and her valuable contribution over the years. Her commitment and her care have made a huge difference to the children, the school and the whole community. We wish her every happiness, health and success in her retirement, and we hope she will enjoy a new era full of opportunities and well-deserved rest.

School Council

To celebrate the end of the year, the School Council will be selling ice lollies for £1 each on the yard after school on Tuesday, 14 July.

Celebrating Learning Sessions

It was lovely to welcome parents into school this week for our Learning Celebration sessions.

The children have really enjoyed sharing their learning journey with you over the term, and it was a valuable opportunity for you to see their work.

We look forward to continuing these sessions next year!
