Tregwyl

We want to extend our thanks to everyone for your support at Tregwyl last Friday evening. It was a truly special afternoon and evening, with the sun shining beautifully over the school yard and creating a wonderful atmosphere for the whole community.

A warm thank you to all the bands and artists who performed so brilliantly, Naw, BolIt, Penbleth, Al Lewis, and Dadleoli and for contributing to an evening of live music and memorable performances.

We are also grateful to the staff and pupils who organised and ran the stalls; their dedication was key to the success of the event.

A huge thank you to the GRhA and all the volunteers for their hard work in organising the evening.

An incredible amount was raised, and the funds will be used to enhance teaching and learning at the school over the coming year.

We truly appreciate all their hard work and look forward to working together again next year.

Governors' Report to Parents

We are pleased to share the Governors' Report for the 2024–2025 academic year, which has now been uploaded to our school website. The report provides a clear overview of the work undertaken by the governing body throughout the year and reflects their ongoing commitment to supporting the school's development and strategic direction.

We want to express our sincere thanks to all our governors, and especially to our Chair, Manon George, for their support, dedication, and hard work over the past year.

Their contribution is a vital part of ensuring that Ysgol Treganna continues to thrive and delivers the highest standard of education for our pupils.

Kitchen Update

We would like to thank everyone for your patience with the school lunch arrangements over the past few weeks. As you know, essential equipment in the kitchen requires repair, and the Council is responsible for funding and carrying out this work.

We have been awaiting a further visit from the Council to assess the situation, and a representative attended the school on Wednesday. The Council has confirmed that the necessary repairs will take place during the summer holidays.

We understand that this situation has been frustrating for many of you, and as a school, we share that frustration. Thank you sincerely for your cooperation and understanding.

Due to the hot weather forecast for next week, school menus across Cardiff will be adjusted over the coming weeks.
