

4TH OF SEPTEMBER

Ysgol Treganna

Weekly Newsletter

YSGOL TREGANNA 26-27

Welcome back!

Welcome back, everyone. I hope you all enjoyed the summer!

A special welcome to our nursery and reception children, and to all new pupils starting at the school this year. Further information has been shared with you today regarding important events and dates for the autumn term.

Please remember that if your child is unwell and unable to attend school, we kindly ask that you inform us in the morning through Arbor. If you have any difficulty accessing Arbor, please contact the school. If we do not hear from you, in line with school policy, we will call you before the end of the day.

We will send correspondence to you as parents every Tuesday and Friday. On Tuesday, we will send the Weekly Contact via Arbor. The Weekly Contact includes specific information about your child's class arrangements and events.

On Friday, we will send the Weekly Newsletter via Arbor. In the newsletter, we celebrate the week's achievements and share whole-school matters and events.

If you have a concern or wish to get in touch with your child's class teacher or a member of the leadership team, we kindly ask you to phone reception or send an email (ysgoltreganna@cardiff.gov.uk). We will respond as soon as possible.

We look forward to another exciting year at Ysgol Treganna!

Priorities for the Year

This year, these are our key priorities for developing provision and teaching across the school:

Numeracy

How can we further develop effective numeracy strategies to deepen learners' understanding, ensure clear progression from year to year, and strengthen their skills in applying numeracy across the curriculum?

Literacy

How can we nurture pupils' higher-order reading skills to deepen their understanding, enhance their enjoyment of reading, and improve their fluency across the curriculum?

Teaching and Learning

How can we further develop the most effective teaching practices across the school, ensuring that every pupil receives rich, challenging, high-quality learning experiences?

Wellbeing, Inclusion and ALN

To what extent can we continue to improve and expand inclusive practices that support pupil voice, encourage independence, and strengthen provision for learners with Additional Learning Needs?

Workshops in the Nyth

Throughout the year, we will organise parent workshops in the Nyth based on these priorities. These sessions will focus on how you as parents can:

- support your child at home,
- understand the strategies we use in school,
- and strengthen the link between home learning and school learning.

Collaboration with Other Schools

We will also lead projects with other schools focusing on:

- developing reading strategies with parents,
- and strengthening numeracy across school communities.

We look forward to working with you as parents to provide the best possible education for your children.

New Staff

A warm welcome to the new staff who are joining us this year.

Welcome to Efa Cray (Culhwch class teacher), Non Pugh (Bedwyr class teacher) and Rhodri Lewis (Peredur class teacher).

A warm welcome also to our new teaching assistants, Tomos Boyce, Martha Powell and Alys Evans.

We hope you will be very happy here with us at Treganna!

INSET dates for this year

Here is confirmation of next year's INSET (HMS) days.

Please note that the October INSET day has had to change to align with the Plasmawr cluster schools.

Tuesday 1.9.26 Wednesday 2.9.26

Monday 5.10.26. Monday 4.1.27

Monday 19.7.27. Tuesday 20.7.27

Autumn Term Parents' Evenings

Parents' evenings for pupils in Reception to Year 5 will be held on Monday and Tuesday, the 21st and 22nd of September. Parents' evenings for Year 6 pupils will take place on Tuesday and Wednesday, the 6th and 7th of October.

The purpose of these sessions is to allow you to meet your child's class teacher, discuss how your child has settled into their new class, and ask any questions or share any concerns you may have.

The link for booking an appointment with the class teacher is available on Arbor.

Class Presentations

Next Friday, we will send you the class presentations. These will include:

- Detailed information about your child's class teacher
- The class arrangements for the year
- An overview of the term's work for your child's class

In addition, we will send a **curriculum questionnaire** to enable you, as parents, to contribute to the development and shaping of the school's curriculum.

If you have any expertise, or if you would like to contribute to our curriculum in any way, please let us know.

Y Nyth

We look forward to offering more workshops and events through our Community Hub this year. Our hope is to create opportunities for parents and carers to come into school, get involved, share experiences and learn and enjoy alongside their children. Families Learning Together - 'Super Scientists' Coffee Morning

Cardiff and Vale College are holding a 'Super Scientists' Coffee Morning in school on Thursday, 10th September, from 9:00 am-10:30 am.

During the morning, there will be an opportunity to:

- find out about fun science activities for you and your child;
- learn more about the 'Super Scientists' course;
- ask questions and find out more about the course.

This session is suitable for families with children in Nursery, Reception, Year 1 and Year 2

[Please register your interest here.](#)

Language Pattern of the Week

Ga i...os gwelwch yn dda? (Can I have... please?)

Challenge

Oes modd i mi gael...os gwelwch yn dda? (Is it possible for me to have... please?)

A fyddai'n bosib...? (Would it be possible?)

Discussion topic of the week

Pe bai gen i dri dymuniad... (If I had three wishes...)

Song of the week

Catalunta-Gwilym

Idiom of the week

Heb siw na miw (Without any fuss)
