Urdd Cross Country

Congratulations to the 33 pupils from Years 3 to 6 who competed in the Urdd Cross Country competition on Sunday. Every single one of you showed incredible perseverance to reach the finish line. Thank you for a fantastic effort and for representing the school so well. Thank you also to the staff and parents who went along to support last Sunday morning.

Urdd Football Tournament

Congratulations to the five teams who competed in the Cardiff and the Vale Urdd Football Tournament last week. Well done to everyone for their teamwork and enthusiasm throughout the day, and special congratulations to the team that secured their place in the next round in Aberystwyth. Thank you very much to the staff for coaching them!

Cwpan Betsan

We are very proud to announce that the Betsan Morris Cup will be held again this year, in memory of a dear parent of the Ysgol Treganna community, Betsan Morris.

The 6-a-side football tournament for Year 5 and 6 girls will take place on Friday, 20 November at the Gol Centre, Cardiff.

The event has become a special tradition that celebrates Betsan's love of sport and gives young girls the chance to enjoy a day of football in a friendly, supportive atmosphere.

Special guests such as Laura McAllister and Laura Wilkinson, as well as some of the stars of the Wales women's football team, will also be joining us this year.

We look forward to a wonderful day of sport, teamwork, and celebrating Betsan's lasting legacy within our school community.

School Dinner- Update

We are pleased to be able to give you an update regarding the repair work in the kitchen.

We have now received confirmation that the work will be completed on Wednesday, 25 November. The work will take the whole day to complete, which means it will not be possible to use the kitchen on that day.

As a result, we will continue with the current temporary menu until Tuesday, 24 November.

On Wednesday, 25 November, sandwich options only will be available while the work is being carried out.

The hope is that the kitchen will be fully operational once again and that we can return to the usual menu from Thursday, 26 November onwards.

Sharing Good Practice

This week, our staff came together to share effective teaching and learning strategies.

It was wonderful to wander around the classes to share ideas, reflect on our practices, and support each other.

By doing this, we ensure the best possible learning experiences for all our pupils.

Estyn Podcast

It was also great last week to have been invited to record an Estyn podcast on high expectations in teaching and learning.

We were talking about the school's culture and the projects we have developed within the school to ensure high expectations for everyone.

Keep an eye out, it will be shared soon!

Estyn and Welsh Government Anti-Bullying Conference

Next Tuesday, our pupils will be presenting at the Welsh Government and Estyn anti-bullying conference.

The pupils will be talking about our wellbeing strategies and how 'Y Cwtch', 'Y Nyth', and 'Y Jigso' support every pupil.

They will also discuss the work of our Pupil Voice Committees and how their input has an impact on steering the school's strategic direction regarding wellbeing and pupil relationships.

We are very proud of the invitation and look forward to sharing what we do in the school.
